

In case of peerage

If I were to get a second peerage I think I would prefer to be surprised. That said, I'm fine if it is easier logistically for me to know ahead of time.

For my speakers:

MOD - Alys, Orlando

PELICAN - Galifredius, Judith, Elizabeth

LAUREL - Vivianne, Elizabeth

KNIGHT - Jonathan Bayles

ROSE - Caoilfhoinn, Kiena

I would love a beaded veil with the combined pelican/laurel on it.

Instead of a cloak (because I love my pelican one) I would love a woolen shawl - could have small medallion type pelican and laurel decorations, and could have my hawk

Finally I would love it if my scroll could be in the style of the Winchester hours, my favorite illuminated manuscript
